January-February 2023

Winter 2023

Are you thinking houseplants this winter or more interested in pouring over the seed catalogs? Maybe you're in that online, perpetual rabbit hole that leaves you lost yet drooling over the latest and greatest? We can't think of a better way to spend a snowy Sunday afternoon!

So many things are coming your way this next spring . . . new plants, new vendors . . . it's going to be great! Our weekly Social Sale will start up, and be sure to watch our Facebook page these next weeks—we'll be highlighting some of the new material headed your way.

facebook.com/sarasgardencenter

Retail seed options for us have been so dismal since we lost our hometown fave Crosman Seed, but 2023 brings us Fruiton Seeds in Naples, NY. We love Petra and encourage you to check out their website. It's loaded with some of the best how-to info and videos—you'll love it!

fruitonseeds.com

David Austin continues to be our all-time favorite rose breeder—you have to check the website. It will help you choose the best rose for your garden's specific site requirements while giving you your favorite color, scent, etc. We're offering nearly 30 varieties this spring!

davidaurinroses.com

Worried about pests and disease while angsting about chemicals? Bonide brand is on it! Bonide is continually working to make your garden successful while preserving the natural good out there. Plus the online guide to insect ID is super simple when you want to identify a culprit or two.

bonide.com

We're here to tell you to hang onto all this yummy winter happiness!! We'll want to see your lists and pictures while listening to your garden ideas and dreams this spring. Sharing our common love of plants in all forms is a good thing; spring does that for all of us!! And it's what we are here for, and it's the best way to help us help you.

To ask us about weddings in the garden, photo sessions, or any other garden-related question, contact us at

585-637-4745 or kkepler@rochester.rr.com.

46 Year Mission!

It is our greatest desire to provide our customers with top quality, well-grown plant material at a fair and honest price. We will strive to provide an unmatched selection of old favorites and underused, hard-to-find items, along with the newest varieties on the market. We will eagerly share our horticultural knowledge gained from years of education and experience. Lastly, we offer all this in a spirit of fun and lightheartedness.

Batavia Turf ... Making New York Green.

"The True Breath of Life"

A 50' x 50' area of sod converts enough carbon dioxide to oxygen to sustain a family of four.

Finger Lakes Biochar

142 County Rd. 9
Victor, NY 14564
Phone: 585-737-7282
us@ithaka-institut.org
fingerlakesbiochar.com
Biochar is a carbon negative soil conditioner that boosts plant growth while reducing the need for fertilizer and water. It also filters out toxins, increases soil permeability and attracts beneficial micro-organisms while reducing the amount of CO2 in the atmosphere. Finger Lakes Biochar uses local agricultural and forestry waste.

ACID
PLANT FOOD

MAXSEA combines the best of nature and technology. We blend the finest natural seaweed with important secondaries, micronutrients and the purest plant foods available.

MAXSEA's natural brown granules turn dark seaweed green and have the fresh, clean aroma of the sea... a pleasure to use and completely safe for the environment.

The resulting complexes are remarkably effective, easy-to-use concentrates that dissolve instantly and completely in water... for fast acting, immediate results. In solution,

Professional growers and home gardeners alike tell us our MAXSEA plant foods are the finest available anywhere. We're very proud of that.

Find a retail dealer location near you by visiting: www.maxsea-plant-food.com

PLANT WNY Trade Show & Education Conference 2023

Certified Nursery & Landscape Professional Day – Thursday, February 2

Horticulture 101 – Thursday, February 2

Trade Show and Education Conference – Friday, February 3

Salvatore's Italian Gardens, Depew, NY

Join us for two full days of seminars. Friday will feature David Culp as our keynote speaker, a trade show and seminars.

CNLP and DEC credits will be available

Friday, February 3: keynote speaker David Culp. David Culp is the creator of the gardens at Brandywine Cottage in Downingtown, PA, which are listed in the Smithsonian Institution/Archives of American Gardens. He is the owner of Brandywine Snowdrops Nursery, the developer of the Brandywine Hybrid strain of hellebores, and vice president for Sunny Border Nurseries in CT. David has been lecturing about gardens for over 25 years, and is an instructor on herbaceous perennials Longwood Gardens in Kennett Square, PA. He is also a judge for the Philadelphia Flower Show. David is the author of The Layered Garden, which won a Gold Medal from the Garden Writers Association for Best Overall Book of the Year and A Year at Brandywine Cottage: Six Seasons of Beauty, Bounty and Blooms.
